Discover Carbon Reduction Strategies Through the GX Training Program

August 5
13:30～16:00

Sriborisuth Forging Technology Co., Ltd.

Venue: Chonburi

Visit a Thai Factory that Achieved Decarbonization through the "Carbon Reduction From the GX Training Program" – Experience Decarbonization and Energy Saving Results On-Site!

The " **Training for business people responsible for decarbonization of local companies to learn knowledge and practical skills in GX. "** (eligible for Japanese government subsidies)," organized by For Delight (Thailand) Co., Ltd., aims to empower practical personnel responsible for corporate decarbonization. The program focuses on teaching efficient and practical methods for promoting energy saving and CO_2 reduction in a short period, with the goal of strengthening the international competitiveness of companies.
