MACHINING DX ONSITE VISIT ACTIVITY

Explore Smart Manufacturing and Learning Factory Experience at SIMTEC

SIMTEC would like to invite participants to join the "Machining DX Onsite Visit Activity," an exclusive site visit program designed to showcase smart manufacturing technologies, digital transformation (DX) implementation, and learning factory development for the manufacturing industry.

This activity aims to provide participants with practical insights into Lean Transformation, DX for Machining Processes, Machining Productivity, Quality, Cost Improvement and industrial human resource development through real-world demonstrations and collaborative discussions.

REGISTRATION FOR FREE
LIMITED SEATS AVAILABLE

EXCLUSIVE LEARNING FACTORY TOUR

30 JULY 2026 | TIME 13.30 - 16.00

Sumipol Institute of Manufacturing Technology (SIMTEC)

Highlights of the Site Visit

Participants will experience :

- Introduction to SIMTEC Overview
- Training Course Development Framework
- Overview of the Machining DX Course
- Learning Factory Visit and Demonstration

Key Takeaways

Participants will :

- Understand practical applications of Manufacturing DX
- Experience real-world smart factory technologies
- Learn approaches to industrial workforce development
- Explore opportunities for manufacturing transformation and collaboration

Preliminary Agenda

13:30 – 13:35	Registration
13:35 – 14:00	SIMTEC Overview Introduction
14:00 – 14:50	• Training Course development • Machining DX Course
14:50 – 15:40	Learning Factory tour
15:00 – 15:40	Q&A and Collaborative Discussion Session
15:40 – 16:00	Group Photo and Closing Ceremony

We look forward to welcoming all participants to explore the future of smart manufacturing together at **SIMTEC**.
